ARTICLE III. ASSESSMENTS

Section 1. Lien and Personal Obligation of Assessments. Developer hereby covenants for each lot within the subdivision, and each owner of a lot is hereby deemed to covenant by acceptance of his deed for such lot, whether or not it shall be so expressed in his deed, to pay to the association (1) annual assessments and (2) special assessments for capital improvements. Such assessments will be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and a continuing lien on each lot against which such an assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees shall also be the personal obligation of the person or persons who owned the lot at the time the assessment fell due, but such personal obligation shall not pass to the successors in title of such person or persons unless expressly assumed by them.

Section 2. Purpose of Annual Assessments. The annual assessments levied by the association shall be used exclusively to promote the health, safety, welfare, and recreation of the residents in the subdivision, and for the operating, improvement, mowing and maintenance of the common areas and any lots within the subdivision to be determined within the opinion of the Board of Directors of the Association. Annual assessments shall include, and the association shall acquire and pay for out of the funds derived from annual assessments, the following:

(a) Operation, maintenance and repair of the common areas, including all surface water management systems, including, but not limited to, contracting for services as to same by a maintenance company.

(b) Any other materials, supplies, labor, services, maintenance, repairs, structural alterations, or the like, which the association is required to obtain or pay pursuant to the terms

of this declaration, or which shall be necessary or proper in the opinion of the board of directors of the association for the operation of the common areas, for the benefit of lot owners, or for the enforcement of these restrictions.

Section 3. Maximum Annual Assessment.

(a) Until January 1, 1997, the maximum annual assessment shall be \$150.00.

(b) From and after January 1, 1997, the maximum annual assessment may be increased each year not more than 10% above the maximum assessment for the previous year without the vote or written assent of a majority of the members' votes.

(c) From and after January 1, 1998, the maximum annual assessment may be increased above the 10% by the vote or written assent of a majority of the members' votes.

(d) The board of directors of the association may fix the annual assessment at an amount not in excess of the maximum, without a member vote.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the association may levy in any assessment year a special assessment applicable to that year only for the purpose of defraying in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement on the common area, including fixtures and personal property related thereto. Any such assessment must be approved by a majority of each class of members. In any event assessment may be made to each lot owner for street lighting until a Street Lighting District is established and they are taxed by the County.

Section 5. Notice and Quorum for Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized by Section 3 or 4 shall be sent to all members not less than ten (10) nor more than thirty (30) days in advance of such meeting. No owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the common area or abandonment of his lot.

However, the sale or transfer of any lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the assessment lien as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

The size of the absorption area shall be based upon estimated sewage flows pursuant to Rule 10D-6, Florida Administrative Code.
